

Newsletter Spring Term 2026

WELCOME BACK TO OUR SPRING TERM!!

This term's activities will be based around spring, life cycles, growth and healthy eating.

Our Easter Bonnet Parade will be taking place, and we are asking for parent/grandparents to help the children make their own unique bonnet to be brought in on the day. We can't wait to see your creations!

The children will also be getting Creative with Mother's Day approaching on 15th March!

Raffle Donations Please!!!

Every year we usually hold two raffles to help raise funds for the preschool and many of our wonderful local businesses donate prizes for these, but we thought we would also put a plea out to parents/grandparents to have a rummage around for any unwanted gifts they may want to donate that would be suitable for our raffles. (New unwanted gifts)

Please hand any donations into to Tracey or one of the staff at preschool.

Thank You in advance :0)

Popcorn- not advised for children under 5 years old.
Please also bring in a toothbrush so we can brush teeth after lunch for those that stay all day

Spring Term Newsletter

Parents we need you

As a charity preschool we would not be allowed to open and run without the support and commitment of our parent volunteers on our committee.

We are desperate for some new members as by law 60% should be current parents and at the moment we have only 1 parent with a child attending.

We will be holding an AGM this half term, please join us to hear more about how you can help support us and ensure we remain open.

Shopping News!

Calling all parents.... did you know that every time you purchase something online, if you use the **Easy Fundraising App**.

A donation is sent to a charity of your choice, for free!

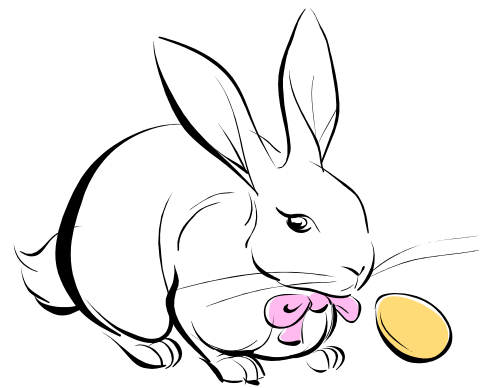

<http://www.easyfundraising.org.uk/how-it-works/>

Thank you!

Fundraising.

We have not met our fundraising targets for many years, if you have any ideas of fundraisers we can do please let Tracey know.

**Please like us on
Facebook!!!
This is where we
share all our lovely
activities.**
